One parent or family member over the age of 18, from each player’s family is **required** to work Concessions. Dates and times are subject to change especially during the first weeks of the football season. Scheduled workers must sign the check-in sheet at the main gate upon arrival at the Stadium. Please arrive at the scheduled time indicated to help with setup, as well as, staying to help clean up at the end of the game.

If your family has a conflict on their scheduled date, you must switch dates with another football family (any grade level). **However, both families must notify their respective grade Team Rep of the change. If you cannot find someone to switch with, your Team Rep must find another person to replace you.**

Milford Eagles Touchdown Club Organization thanks you for being a “team player” by supporting your Eagles!
